

## Van Meter Technology Surplus Bid Sheet

Below is the current inventory for bid. All computers/Airports will be bid out as one package and not sold as individual inventory. The listed carts can be added to a bid if desired, but would also be able to have an individual bid placed.

Bids are due no later than Friday, February 24th, 2017

Items will be available June 8th, 2017 for pickup.

Bid must also include the following information:

Procedure for picking-up/shipping equipment  
Price / item including Grading level of equipment and detailed explanation of potential deductions  
Certificates of data destruction for each device
